

Early Years Newsletter

This term our topic is:

All about spring– Summer 1

We are continuing to learn all about spring this half term. We have the exciting arrival of our caterpillars and chick eggs. We will learn about and observe the changes that happen and observe the caterpillars making cocoons and hatching out as a butterfly, as well as the chicks hatching out of the eggs. We are also looking forward to getting in the garden to do lots of planting and growing.

All about summer – Summer 2

We will be beginning to learn all about summer, including the seasonal changes, zoo and safari animals, sea animals, the seaside, pirates, travel and space. We will also be learning about the different celebrations and memorable days/events (Father's Day, Eid)

Early Years Fund

We ask you to pay 50p per week or £3 for the half term please into the EYFS fund. This is used to buy extra resources for the children such as playdough ingredients, cooking ingredients and also subsidises the cost of our trips. Thank you to all who have contributed last term.

Summer craft morning

We will be having our summer planting and growing craft morning on Friday 17th May 9:00am – 10:30am. There will be a range of activities to choose from. *Letter to follow.*

PE kits and school uniform

Please make sure that each item of your child's clothing (both school uniform and P.E. kit) has their name on it. Clothing often gets mixed up, especially after P.E. lessons so it is essential that all clothing is named.

Please also make sure your child is wearing suitable footwear. Children still need school shoes that cover the toes in the summer term.

Instagram

We have loved sharing what we do throughout our Early Years on our Instagram page – @burnttreeeyfs

If you cannot see pictures of your child this may be because you have not consented to photos of your child to be put on the school social media pages.

Please speak to the school office to get this updated if you wish to change it.

Sports day

We will be holding our annual sports day on Tuesday 9th July. You will receive a letter about what team your child is in and further information about the morning.

Sunny weather

We have a lot of outdoor learning, please ensure your child has suitable clothing for the weather. We are hoping for nice, sunny weather this summer – in the event of hot weather, please apply sun cream to your child before bringing them to school along with a sun hat to wear outdoors.

Illness

Please phone school if your child is ill and unable to attend. We understand young children can become ill but we encourage all children to aim for 100% attendance. There are rewards at the end of each term for 100% attendance, with a trip at the end of the school year.
