'Where everyone matters'

Head Teacher Mrs. J. Bayliss

Monday, 15 April 2024

Dear Parents,

As part of the P.S.H.E curriculum, the school nurse will be visiting today to deliver a short session on 'Body Changes and puberty' learning about physical, mental and emotional body changes that will occur as the children get older. This is an important lesson for all children to participate in and is a key element of the national curriculum.

If you have any queries please call the office.

Yours Sincerely,

J Bayliss
