'Where everyone matters'

Head Teacher Mrs. J. Bayliss

Friday 3rd May 2024

Dear Parents and Carers,

As part of our history lesson, year 4 are learning about The Romans. We have therefore arranged to have a Romans workshop on **Thursday 20th June** in school. This workshop will enhance the curriculum that is being taught and allow your child to experience a practical workshop about the Roman Empire. This will enable them to further develop their knowledge about the invasion of Britain and what life was like in Britain during the Roman Empire. They will also have the opportunity to dress up as a Roman soldier, fight like a Roman and play some Roman board games.

We are asking for a voluntary contribution of **£6.50** towards the cost of the workshop. This can be paid on ParentPay up until Wednesday 19th June. If we do not receive sufficient contributions, then this workshop will unfortunately be unable to go ahead.

Thank you for your continued support

Kind Regards

O Cole *O Ononeme*

Mr O Cole and Mrs O Ononeme
Year 4 class teachers
