

# Year 5 Swans

Hello to all the new parents of Year 5 – it is great to welcome you back. We are very much looking forward to getting to know you and the children.

## History

Our topic this term is 'The Vikings'. We will be learning about where the Vikings came from, their struggle for power and their impact on Britain.

## Geography

Our topic this term is 'Where Does our Energy Come From'. We will be looking at why energy is important, how it is generated thinking about the best energy generation methods.

## Physical Education

Swans will have PE on Tuesdays and a Thursdays

Please ensure that your child has their P.E. kit in school. The children are going to be having P.E. lessons outside for as long as we possibly can, so longer trousers, long sleeved tops/jumpers and trainers are advisable in the winter months.

If your son or daughter has their ears pierced, please ensure that their earrings are removed before school. It would be a shame for them to miss out on P.E. lessons.

As a mini topic to get us going, we are going to look at the art style 'retrofuturism' and create our own artwork based around Space.

## Reminders

If your child needs any of the following items, please bring them into school as soon as possible:

- Inhalers or medication
- Glasses

## Reading Challenge!

We want your child to read at home as much as they can this year. As a result, children who read at home with a parent and write it in their Reading Log could win a number of fabulous prizes!

Please feel free to chat to us about any concerns that you may have at the end of the school day, either in person or by telephone, we will be more than happy to help.

We're looking forward to the year ahead!

Miss Dunn and Miss Jackson

Autumn Term 2024
