Dear Parents/Carers

We are having a number of complaints from neighbours about parking in streets near to school. Can I please remind everyone to be respectful when parking in Hill Road and the surrounding streets. Please do not park on driveways or block residents drives, as they are unable to get off their own drives to go to work. A number of people have complained about being late for work and missing appointments.

I have been sent pictures of the parking and the cars that are parking across driveways. These pictures have been sent to the local authority by the residents, so that action can be taken. The traffic control car was in Hill Road last week and is likely to be patrolling the neighbouring streets. Please be aware that this could result in parents receiving fines.

Whilst there are turning points in Elizabeth Mews these are not parking spaces, parking in these spaces results in drives being blocked.

Can I please once again remind you to be considerate and not to block or park on residents drives.

Yours Sincerely

Mrs. J Bayliss
