KS2 History Week – October 2025

Dear Parents/Carers,

The visiting history workshops have always been a great success at Burnt Tree Primary, with excellent feedback from both children and parents. They enhance the curriculum and provide pupils with engaging, hands-on experiences that bring history to life and deepen their understanding of key topics.

This year, we are delighted to announce that we have arranged a KS2 History Week beginning on Monday 20th October 2025. During this week, each KS2 class will take part in a dedicated workshop linked to their curriculum learning:

Monday 20th October – Year 3: Stone Age Workshop

Pupils will step back in time to discover how early humans lived, handled replica artefacts and explored survival skills from the Stone Age.

Tuesday 21st October – Year 4: Anglo-Saxons Workshop

Children will investigate life in Anglo-Saxon Britain, including beliefs, culture and daily life, through storytelling, costume and artefact handling.

Wednesday 22nd October – Year 5: Vikings Workshop

Pupils will learn about Viking society, warfare and exploration, taking part in interactive activities that bring Norse history to life.

Thursday 23rd October – Year 6: World War II Workshop

Children will experience what life was like on the Home Front during the war, exploring themes such as evacuation, rationing and air-raid precautions.

The School Council have worked hard to fundraise so that these workshops can continue to go ahead. As a result, we are only asking for a small contribution of £3.50 per pupil to help cover costs.

Please make payment via ParentPay, or alternatively, send cash in a clearly labelled envelope with your child's name and class by **Friday 10th October**.

We are very grateful for your continued support in helping us provide these valuable learning experiences for the children.

Kind regards

J Bayliss
