Friday 3rd October 2025

Dear Parents and Carers,

We are subscribed to a service provided by MyLogin, which enables children to access services that we currently subscribe to such as TT Rockstars through a single sign on (using one password for a range of services).

These services are designed to reinforce and extend the English, Maths and Science curriculum. It is bright, interactive and the children enjoy using it.

In order to access these services at home, all children are being provided with an emoji password that will be required to login to MyLogin. Once the children are logged in, they will be able to access the services provided by the school and class teachers will be able to track their usage and progress.

MyLogin can be accessed at:

<https://app.mylogin.com/login/burnt-tree-primary-school-b69-2ln> or you can search for MyLogin in Google.

Here, you will be required to enter the emoji login that pupils have been provided with to access our online resources.

Kind regards,

R Hine - Smith
