'Where everyone matters'

Head Teacher Mrs. J. Bayliss

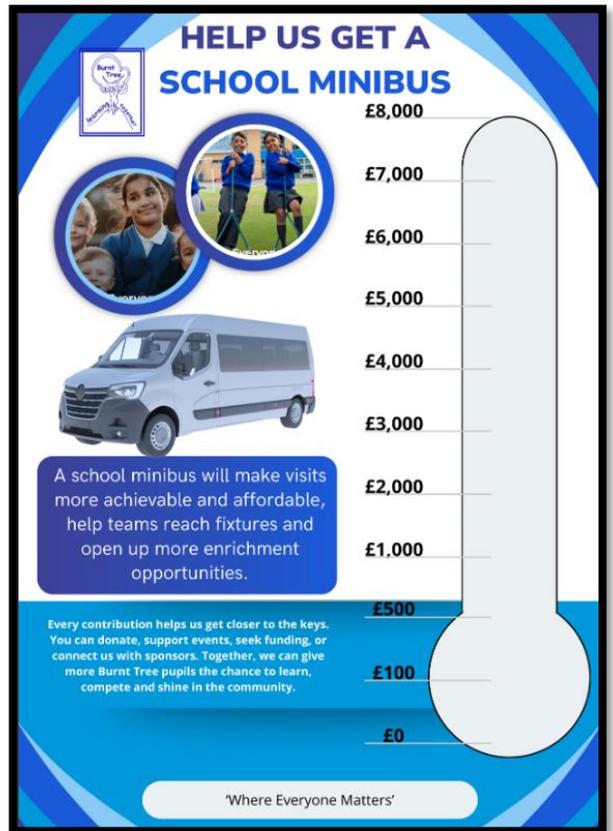

Friday 24th October 2025

Dear Parents/Carers,

At Burnt Tree Primary school, we believe the richest learning often happens beyond the classroom. We are fortunate to have many local connections – museums, sports clubs, community organisations offering the children a range of experiences. Unfortunately, at times we have to say no to attending due to the cost of travel. Therefore, we have decided to raise some money to buy our own mini-bus.

The School Council are working with Miss Gamwell to fundraise. We will also be contacting local businesses about sponsorship and applying for grants. The School Council have made many suggestions to how all pupils can get involved to raise money throughout this academic year. Ideas include raffles, sweet/cake sales, book stall, games and competitions etc.

We really appreciate your support with this adventure and hope you will see the benefits that this will bring to all at Burnt Tree Primary.

There will be a collection bucket in the office for people to make donations throughout the year. We would also appreciate any donations you are able to make on Parentpay where there is a £20 voluntary contribution payment item for you to make a donation at any point in this school year.

Thank you for being part of this exciting adventure — your support means so much and we're confident it will create meaningful and lasting benefits for everyone at Burnt Tree Primary.

Kindest regards

Miss Gamwell and the School Council
