'Where everyone matters'

Head Teacher Mrs. J. Bayliss

16th January 2026

Dear parents/carers,

As you are aware, year six will be completing their SATs tests in May 2026. We are obviously doing lots of preparation during the school day; however, we will be providing the children with an additional opportunity to prepare for them by holding boosters sessions before school.

These sessions will start at 8am and will begin on 20th January. They will be held on Tuesday, Wednesday and Thursday of every week leading up to the completion of their SATs.

These additional sessions will consist of extra maths, grammar and reading, which will enable us to offer additional support for the children so that they can achieve their best when they complete the SATs in May. We will provide the children with toast whilst the sessions are taking place.

As these booster sessions are an enormous commitment from staff, it is expected that you ensure your child attends regularly and arrives at school at **8am promptly** to avoid the session being disrupted.

Kind Regards

Mr Brazier
Deputy Head Teacher
