'Where everyone matters'

Head Teacher Mrs. J. Bayliss

Wednesday 21st February

Dear Parents/Carers

Year 2 **Cuckoos** class will have their INSPIRE session on **Friday 13th March at 9:00am until 10:30am.**

During this session we will be creating a bag/pouch that we have been designing in our DT lessons. This session will involve sewing which as you can imagine can be tricky for children in Year 2 to complete independently.

We would be grateful if one adult per child could attend the session to support this project. This adult could be a parent, grandparent, older brother or sister (aged 18 or over), aunt, uncle or a family friend.

Due to the nature of this activity (having sharp tools such as scissors and sewing needles), unfortunately we will not be able to have younger siblings join us for the session.

On Friday 13th March please drop your child off at the classroom door as usual and then walk around to the main office/school hall door ready for the session. We look forward to seeing you in our INSPIRE session!

Yours sincerely

Mrs Hine-Smith
Class teacher
