'Where everyone matters'

Head Teacher Mrs. J. Bayliss

Wednesday 18th March 2026

Dear Parents /Carers

Following our successful science fair last week, where the children had opportunities to take part in a range of activities and experiments, which also included a whole school experiment, we will be offering the children from years 1-6 an opportunity to visit a Wonderdome planetarium in the school hall on Tuesday 24th March.

The planetarium promotes the wonder of space and its opportunities for the future. It will bring the universe to our school, with a presenter led planetarium show that sparks curiosity, imagination and makes learning unforgettable.

The cost of this experience will be £2.50 per child, which also includes a free ice-lolly. There are limited spaces available so these will be offered on a first come, first served basis.

Payments can be made on Parentpay, once the slots have been taken, we will not be able to offer any more places due to restrictions on numbers of children in the planetarium.

Yours sincerely

R Hine-Smith

Mrs Hine-Smith
Assistant Headteacher
