COMPETITION TIME

Dear Parents/Carers

We have recently purchased our school mini bus which was made possible through your generous contributions and through fundraising at many events. One of the donations that we received is from a company who will be displaying their logo on the back of our mini bus.

The logo is a robot that currently does not have a name, it is advertising storage space. We are running a competition to name the robot; the winning entry will win a prize of a family ticket for 4 people to go bowling at castlegate.

Please complete and return the tear off slip below to the school office.

We look forward to seeing your creative names for the robot.

Yours sincerely
