Dear Parents/Carers

Tesco In-Store Vote

We are delighted to let you know that our application to the Tesco Grants Programme has been successful and our well-being garden project will be put forward to a customer vote in Tesco stores.

Voting will commence in store from Tuesday 28th April 2026 until the end of July 2026.

The following information, which is what we applied for in our application, will appear on the voting unit when voting starts.

Burnt Tree Primary School
Wellbeing Garden
Oldbury

To create a wellbeing garden in school which provides a calming, nature-based space to support children's mental health, learning, and connection to the environment. Jo Gamwell has already started work on this garden with the help of some staff, children and volunteers. If you are able to offer any time to help with clearing the area/building planters, planting bulbs/seeds, painting fences, any time at all will be appreciated. We are also looking for donations of gardening tools, plants, compost, decking boards to build the planters or any suitable wood. Hopefully, if we are successful with the Tesco reward project we will be able to buy resources and equipment for the garden that will enable workshops and group/class activities to take place in the area.

The project with the highest number of votes across our region will receive between £500 and £1,500.

When you are shopping in the Tesco stores named below, please remember to pick up or ask for a blue counter and put it into the box with our name. You are only allowed to pick up one token per transaction at the till.

Please see below a list of stores taking part in the voting on our project. Feel free to share this list of stores amongst family and friends so that we have the best possible chance of winning.

At the end voting period, the votes will be counted in August and we will be notified in September of the outcome.

Additional information

Please note the below advice in terms of do's and don'ts before and during the voting period:

Do:

- Cast your vote as soon as you receive your token for a project in the current voting round
- Only submit Tesco blue tokens to cast your vote
- Encourage family and friends to vote and promote this project on social media

Don't:

- Tamper with the voting unit (otherwise our project may be void from the vote)
- Influence customers casting their vote at the voting unit
- Take more than one token from the self-serve checkouts
- Encourage supporters to hoard then submit multiple tokens in the voting unit
- Promote your project in store without permission from the Store Manager
- Collect Tesco tokens from stores that are not within your region to vote for your project

Please help us with this project and remember to collect a token each time you shop and put it in our box. I look forward to letting you know the outcome in September.

Thank you for your support.

Yours sincerely

Mrs J Bayliss
