Early Years Fund Contributions

Dear Parents/Carers
We would like to remind families about our **Early Years Fund**, which helps us to provide additional resources, activities and experiences for our children in Early Years.

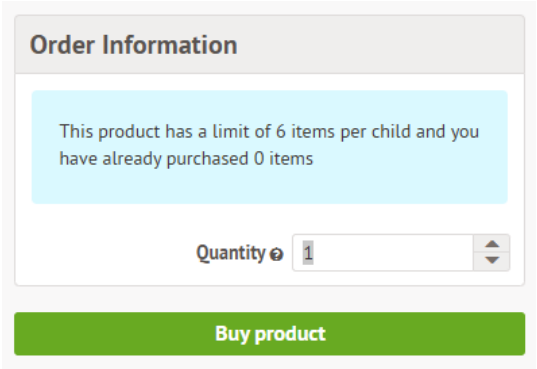

We ask for a voluntary contribution of **£3 per half term** which will help school buy extra resources for the children such as playdough and cooking ingredients. We have a lot of celebrations this term and the Early Years fund will also help towards the costs of resources for children to experience these (food tasting for Diwali and Christmas, making gingerbread/mince pies).
Contributions can be made in cash to your child's class, or you can pay online through **Arbor**. You will find the payment by selecting the relevant child's account listed under **School Shop**.

Click on the item shown called Early Years Fund.

You will then see a box called Order Information.

There is a quantity limit of 6 for a £3 contribution for each of the 6 half terms in a school year. You can select a quantity between 1 and 6 for your choice of contribution. Then click the green buy product box.

You will see that the total price will reflect the quantity you have chosen to contribute. Click the green Make Payment button which will take you straight to the payment screen to enter your card details.

We are very grateful for your support. Every contribution, however small, helps us to enhance the learning experiences and opportunities we are able to provide for the children in Early Years.

Thank you for your continued support.

Kind regards,

J Bayliss
